

# FREE ADMISSION at the St. Lucie County Marine Center!

The Smithsonian Marine Ecosystems  
Exhibit is celebrating its 5th anniversary  
and *everyone* is invited!

Admission is **FREE** from **Sunday August 27 - Saturday September 2, 2006**. Come explore the diversity of life found in our local waters.

The Smithsonian Marine Ecosystems Exhibit features:

- Six model ecosystem displays - including a 3,000 gallon living Caribbean coral reef
- Touchtank
- Interactive classroom
- NEW lifelike models of mangrove and *Oculina* habitats.

Don't miss the guided gallery tours on Tuesday, Wednesday and Saturday at 2:00 PM.

Questions? Call Laura Diederick at 772-465-3271.
